Portions of this report have been included under license from Toyota Motor North America, Inc. ('Toyota'), Mutual Data License Agreement- TMS1014. This data applies only to vehicles marketed or originally sold in the United States of America, including Guam, Puerto Rico, and the U.S. Virgin Islands, and Mexico with currently open safety or emissions recalls, or service campaigns. While Toyota provides data to Experian on a regular basis, this report may not include very recent activity. For the manufacturer's most current information on recall activity for any Toyota, Lexus or Scion vehicle, you must go to http://toyota.com/recall or http://lexus.com/recall .
Recall	History Section	A safety, emission or bulletin issued by the vehicle manufacturer, the Environmental Protection Agency (EPA) or the Department of Transportation (DOT). These are different than a service bulletin. A recall involves work that must be done at no charge to the consumer by an authorized dealer of the vehicle make involved.
